**HIEROMARTYR PANCRACTIUS,
BISHOP OF TAORMENA**

HIEROMARTYR PANCRACTIUS

The Hieromartyr Pancratius, Bishop of Taormina, was born when our Lord Jesus Christ yet lived upon the earth.

The parents of Pancratius were natives of Antioch. Hearing the good news of Jesus Christ, Pancratius' father took his young son with him and went to Jerusalem in order to see the great Teacher for himself. The miracles astonished him, and when he heard the divine teaching, he then believed in Christ as the Son of God. He became close with the disciples of the Lord, especially with the holy Apostle Peter. It was during this period that young Pancratius got to know the holy Apostle Peter.

After the Ascension of the Savior, one of the Apostles came to Antioch and baptized the parents of Pancratius together with all their household. When the parents of Pancratius died, he left behind his inherited possessions and went to Pontus and began to live in a cave, spending his days in prayer and deep spiritual contemplation. The holy Apostle Peter, while passing through those parts, visited Pancratius at Pontus. He took him along to Antioch, and then to Sicily, where the holy Apostle Paul then was. There the holy Apostles Peter and Paul made Saint Pancratius Bishop of Taormina in Sicily.

Saint Pancratius toiled zealously for the Christian enlightenment of the people. In a single month he built a church where he celebrated divine services. The number of believers quickly grew, and soon almost all the people of Taormina and the surrounding cities accepted the Christian Faith.

Saint Pancratius governed his flock peacefully for many years. However, pagans plotted against the saint, and seizing an appropriate moment, they fell upon him and stoned him. Thus, Saint Pancratius ended his life as a martyr.

The saint's relics are in the church named for him in Rome. He is also commemorated on February 9.
