# Show highlights

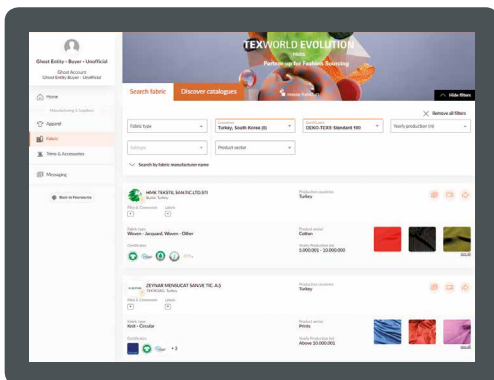

**Trend Forums & Trend Book** dreamed up by Louis Gérin and Gregory Lamaud, Artistic Directors for the shows, highlight exhibitors products onsite and on digital media, during and after the shows.

**Various itineraries are proposed to Buyers in order to facilitate their research:**

- **The Small Order Itinerary** which lists the exhibitors who can sell small quantities to designers is a real asset for small brands and capsule collections.
- **The Sustainable Sourcing Itinerary:** for more than 10 years, the show has been promoting eco-responsible and ethical textiles, allowing you to find sustainable companies for a greener sourcing. A dedicated Sustainable Trend Forum displays a selection of certified exhibitors.
- **The Handmade Itinerary** aims to promote the finest handicraft of our exhibitors, coming from around the globe: embroideries, brocarts, handwoven fabrics and more to be discovered.

**A qualitative programme of events is organised with professionals and experts of the industry:**

Discover our conferences on the most recent trends, innovations and sourcing possibilities. Plus, carefully chosen items from the exhibitors collections are featured on the shows catwalks.
