

Cardiology Opportunities, Kelowna and Kamloops, British Columbia, British Columbia

We are seeking a full time **General Cardiologist** to join our team at **Royal Inland Hospital**.

RIH is a 258-bed facility that serves as the referral centre for approximately 250,000 people. As one of two Interior Health tertiary referral hospitals, RIH is a no refusal centre with an Emergency Department that sees over 1,500 patients in our emergency with cardiac related conditions. This is an exciting opportunity to work a unique niche setting, and practice great medicine with lots of support.

Kamloops is a vibrant city of 90,000, set on a vast landscape of sandstone canyons, grasslands and evergreen timberlands. Here you can enjoy all the amenities of a big city, while having eight provincial parks at your door step. Blue skies with endless sunshine, one thousand lakes and spectacular landscapes make the Kamloops region the natural place to work and play.

Cardiology Opportunities, Kelowna and Kamloops, British Columbia, British Columbia

We are seeking a full time **General Cardiologist** to join our team at **Kelowna General Hospital**.

Located in the city of Kelowna, KGH offers a full range of services with approximately 400 beds and over 78,000 ED visits yearly, and is home of the Interior Heart & Surgical Centre. IHSC is the main referral center for Interior Health serving a catchment population of approximately one million people. KGH offers full cardiac services including general and interventional cardiology, cardiac surgery, TAVI and electrophysiology. Both inpatient and outpatient consultation services are offered.

Kelowna offers a spectacular landscape of lake, mountains and parks, with all the amenities of a major centre including a wide range of restaurants and shops. Known as one of Canada's popular vacation destinations, come and experience our four season's playground.

Apply today to live, work, and play where others only vacation. It's better here.
