Class Formation

Over the next two weeks teachers will be placing students into class groups for 2019. To do this we look at each child individually, their learning and social needs and also try and balance classes to ensure they are equal with class leaders, role models and that every child has friendship and growth opportunities. Lots of thought and effort goes into this process. On Monday a note was sent home asking parents to identify their child's learning requirements and two or three children their child works well with. This information will be used as a part of the class formation process and teachers will use their professional judgement, student's data and identified learning needs to form the best groups possible for 2019. This process will conclude with a whole school transition day on Friday 30th November when students will spend the morning in next year's group, in next year's classroom and with next year's teachers where possible. If parents have any specific concerns or requests for next year, they can arrange a time to speak with me.

Staffing News

This week we have been informed that Lisa Meek will not be returning to Clare Primary School in the future. Lisa has taught at Clare Primary School since 2008 in the primary year levels. I wish to thank Lisa for all her hard work and dedication to our students during her time at our school and we wish her all the best for the future. We welcome Jillian D'Cruze to our school. Jillian has been placed into Lisa's position for 2019 and beyond. Jillian currently teaches at Blyth Primary School where she has been for a number of years. Jillian has worked at Clare Primary School in the past. I wish to thank Cheryl Pyrke for all her work this year in the 5/6 class. Cheryl took on the class in Lisa's absence and has done a wonderful job that has been greatly appreciated by the students, parents and staff. We wish her all the best for the future.

Camps

Last week our Year 3 /4 students had the opportunity to attend a camp at Arbury Park near Bridgewater in the Adelaide Hills. Arbury Park is a Department for Education run campsite staffed by teachers with a focus on Environmental Education. The students had a fantastic time learning about all aspects of the environment and how we can help look after our environment. This week the Year 5's are off to Illawonga Campsite at Swan Reach where they will have the opportunity to take part in a variety of aquatics activities, go caving, do gymnastics and archery and learn about the Murray River ecosystems and history of the area. I'm sure they will all have a great time. Camps do not happen without staff being willing to give up their time to attend, organise and run camps. A huge thank you to all our staff who have helped with these camps this term allowing our students these positive learning experiences.

New Outdoor Furniture

As a part of our ongoing facilities improvements new outdoor furniture has been purchased to go outside many of the classes around the school creating better outdoor learning and eating areas and replacing the various tables and chairs that were previously there. This makes our school look better, improves student pride in their school and creates a consistent look across the school. I hope that the students enjoy their new facilities.

Ride to School Day

A reminder that tomorrow is our final active travel Breakfast and Ride / Walk to School day starting at 7:45am at the old train station carpark for a breakfast cooked by the Lions Club before we leave at 8:15am to ride or walk to school. Parent help with the walkers is required. Please join us for a great start to the day and support this active travel initiative.

Remembrance Day

On Sunday 11th of November our School Captains represented Clare Primary School at the Clare Remembrance Day ceremony at the RSL where they presented two books as part of the proceedings. The local RSL had invited us to present books rather than a wreath as they can then return to the school to be presented to the Library and all our students benefit from this. A huge thank you to our Captains, and their families, for being a part of this ceremony and representing the school so positively on Sunday. Last Friday the whole school held a special assembly at 10:50am at the front of the school for a short Remembrance Day ceremony, explaining to all our students the message of Remembrance Day and that we can all show 'Respect' and give 'Gratitude' to those men and women who died or suffered in all wars and armed conflicts.

Thanks

Year One And Two Unit

Hi everyone,

I'm Susie Rankine. I am from Ngarrindjeri descent and I live in Owen. I will be working this year and next year as the Aboriginal Community Education Officer (ACEO) at both Clare Primary School and Clare High School.

I look forward to meeting and working with all the students and families in the Clare area at this time.

My role is to support student learning and make connections with families in these schools and in the local community.

If you have any questions or queries please feel free to contact me on the following email address or phone your school on the number provided below.

DI'S DOT POINTS

Hi everyone, Welcome back to the happy campers and wishing the Year 5's loads of fun Illawonga!

As your Pastoral Care Worker I am happy to make your children Breakfast each morning to give them a good start to their day. Breakfast club can be found in the room at top of the stairs behind the hall. It runs each day from 8:30am , cooking stops at 8:50am to allow for clean up. NOTE: We do ask that you be mindful of teachers beginning their day and ask you to encourage your child/ren to come as soon as they arrive at school and not go off to play first. Students are to eat under the pergola or at their class. We would greatly appreciate donations of fruit, veg, or margarine thank you!

Also, within my role, I am here to listen and assist you with your needs in any way to make your school life a little easier, please come and chat with me or leave a message at the office and I will get back to you. Part of my role also is to help out in classes and chat with individual students if they need to. Of course for any ongoing chats I can only continue to visit your child if you have given permission upon your enrolment (Chaplain box). If you are not sure about this 'box' on the enrolment form or you require more info please have a chat with me for clarification. This is only a support role for your child.

A SPECIAL HAPPY BIRTHDAY TO THESE STUDENTS

Damien I, Xanthia B, Breanna F, Athan D, Amaya M, Tyler O, Scarlett H, Briana H, Leo G, Sophie V. Rubi S, Esther H
