FROM THE PRINCIPAL'S DESK

NATIONAL RECONCILIATION WEEK **Reconciliation Takes Action 2021**

At the heart of this journey are the relationships between the broader Australian community and Aboriginal and Torres Strait Islander peoples.

Together we are striving towards a more just, equitable nation by championing unity and mutual respect as we come together and connect with one another. On this journey; every one of us has a role to play when it comes to reconciliation, and in playing our part we collectively build relationships and communities that value Aboriginal and Torres Strait Islander peoples, histories and cultures.

Today, our students have been involved in reconciliation activities. We were fortunate that we had Aunty Sharron mirri Bell present songs in both her native language and in English for our children and the children from the Cribb St and Roderick St Daycare Centres. Denise Gibson from ISHS had her students present several dances for the students and staff. The children then created a sea of hands under the guidance of Aunty Charmaine. The design that was chosen came from a compilation of ideas from our Year 6 Aboriginal and Torres Strait Islander children and looked amazing when completed.

Thank you very much to Ms Gaynor and the Blair Community RAP members for their organisation of this event and our teachers for their involvement in raising further awareness of this important issue with our students.
