FISCAL NOTE ANALYSIS

STATE OF ALASKA
2021 LEGISLATIVE SESSION**Analysis**

The bill will have no fiscal impact to the Department of Military and Veterans Affairs. This bill creates awareness of the benefit and services the veteran or a veteran's dependents, survivors, or personal representative have at their disposal. Individuals and businesses will have to provide a written disclosure that informs the veteran of the free benefit and service provided by the Veteran Service Officer prior to engaging in a service. Violation of providing no disclosure will incur a fine of \$1000 and the individual or business shall forfeit compensation. At most, the department will need small assistant from The Office of Information and Technology to publish the disclosure on the Department website. This assistance would be covered under the Core Services rates. Therefore, the Department of Military and Veterans Affairs is submitting a zero fiscal note.
