PRESIDENT'S MESSAGE

President's Message

Hello Members.

Fall is upon us (so I heard). Someone tell the weatherman. But hey we've got our cool. We started the month off with a nice visit to the Canton Oaks Nursery home. With ten Model A's and one T and a visit by Elvis and a good show it was a great afternoon.

Our monthly breakfast took us to the Athens Cafe and then a trip to the Athens Arboretum. Now this was fun, and worth the short walk. Ha Ha.

IMAD was another huge success with a total of seventy Model A's and 182 people registering. This could not have happened with out you the members who volunteered their time and effort to bring this together.

Our next monthly meeting will be Oct. 2 at the Dairy Queen in Seven Points. Tire kicking at 5 pm meeting at 5:30 pm.

See you there.

Walter

Editor's Note

As most of you know, Bill Wittner, our club's Secretary/Treasurer, is suffering some major health issues right now. And while he was able to attend the last club meeting in September, he has been confined to the hospital in Athens for the past week or so and is simply unable to produce the minutes from the meeting. I'm sure you understand and wish Bill a speedy return to better health

Wednesday Breakfast and Visit to the Arboretum

Our regular Wednesday Breakfast was held at the Athens Cafe. As usual, food brings out our members in droves!

After breakfast, we all drove to the Arboretum. What a beautiful, restful place! Several made one or another

of the long walking trails, all enjoyed the beautiful grounds and the museums.

Canton Oaks Nursing Home visit

On Saturday, September 8, several of the club visited the Canton Oaks Nursing Home. This is a beautiful facility on the south edge of Canton. We had several A's there along with Chuck Sportsman's T.

A visit by Elvis was enjoyed by all.

International Model A Day

Ben Wheeler – September 22

This year we had over 180 visitors register and 70 or so cars gathered. This has to be one of the larger and more impressive events celebrating International Model A Day. The event included live music, car games, the raffle of the beautiful quilt made by Nancy Kemp, many door prizes and.... FOOD! The day concluded with a short driving tour of the back roads of Van Zandt County.

Saturday, September 22, saw the 2012 International Model A Day hosted by the Ben Wheeler Arts & Historical District Foundation. The event was sponsored by several of the Model A clubs in the area (Cedar Creek, Tyler, Autumn Trails, Dallas) and was run mostly by the members of the Cedar Creek Club.

Ladies of our club running the registration.

Ben Lowery & Texas Express
provided music all day.

Museum Update

The Model A Museum Building is a reality! Over 200 cars and at least twice that many people attended the Building Dedication on Model A Day at Gilmore on September 15th. After an invocation and breaking of a bottle of champagne on the corner of the building, a ribbon was cut and the front doors thrown open for the crowd of eager Model A'ers to view the new building. Gilmore Trustee Jon BOWERS welcomed the crowd, MAFFI

President Stan Johnson gave an overview of plans for the future displays, and several people and organizations presented gifts and donations to the museum. Visitors were invited to have a photo taken of their car in front of the museum gas station, and also inside under the New Ford On Display sign and in front of several of the museum cars already inside the building. Now the difficult work of creating the displays of cars, parts, tools, accessories and fashions begins. Anyone having items or collections to donate should contact Phil Ierardi at pni1938@gmail.com for instructions on how and where to donate items. "Thank you, thank you, thank you" to all who have bought bricks and donated money, time or items toward the construction of the museum building. Please don't stop now as we work to create a museum inside.

Thoughts for the month:

I dropped out of communism class because of lousy Marx.

All the toilets in New York's police stations have been stolen.

The police have nothing to go on.

Velcro - what a rip off!

A cartoonist was found dead in his home. Details are sketchy.

The earthquake in Washington obviously was the government's fault.

Be kind to your dentist. He has fillings, too!
